AMENDMENT

Sir:

In response to the Office Notice of Non-Compliant Amendment 37 CFR 1.121, Item 4, dated October 9, 2002, from L. Lewis, please amend the above identified application dated 9/04/2001, as follows:

Reference to amendment filed September I, 02, in your notice, should be corrected. In responding to MS. Natalie Pass, Examiner, for rejections, on September 1, 2002, I included a revision of claims intended to be a draft of proposed changes in claims, for discussion with her as to the conformity with requirements. Instead they reached L. Lewis as amendments. I failed to properly clarify my intentions. Since receiving your notice, I have further refined these claims, as attached, and the September 1, 2002 claims should be ignored. - thanks.

In the claims:

Please cancel claims 9, 13, and 16

Please amend and/or replace original claims 1,2,3,4,5,6,7,8,10,11,12,14, and 15, as shown in the attached 14 claims rewritten.

Attention: Natalie A. Pass, Examiner Re: Patent Application 09/945/467
Title: One Page Purchasing System

Dear Ms. Pass:

Thank you for moving my application along to the Legal Instruments Examiner, L. Lewis.

I'm enclosing a copy of my response to their request for the amended claims identification.

You will note that I made revisions to my set of draft claims sent you on September 1, 2002. I'm sorry about the mixup on my intentions, which I should have explained.

Also enclosed is a copy of the September I, 2002 claims sent you, which I've marked up for your convenience if you wish to examine the changes made.

Please let me know if I can do anything else to further expedite my application.

Again, thanks for your continued support and assistance.
